Why you should visit

- Indonesia's leading Plastics and Packaging Exhibition.
- More than 650 companies from 27 countries.
- International and regional group from Austria, China, Germany, India, Iran, Italy, Korea, Singapore, Switzerland, and Taiwan

Some of products you will see at the show

PLASTICS & RUBBER

Additives • Adhesives & Glues • Blow Moulding Machines • CAD / CAM / CAE Software • Calendars • Coating Compounds • Compactors • Compounding Lines • Consultancy • Contract Manufacturing / Assembly • Conveyor & Conveying Systems • Degassing Systems • Design and Engineering • Dosing & Metering Equipment • Dryers & Dehumidifiers • Dust & Fume Extraction Systems • Extruders & Extrusion Lines • Fan Systems • Fillers & Reinforcements • Finishing, Printing & Marketing Equipment • Foams & Intermediates • Heating & Cooling Equipment • Industrial Automation & Robotics • Injection Moulding Machines • Material Handling Equipment • Mixers • Mould & Dies • Packaging Equipment & Supplies • Paint & Resins • Pelletizers • Post Processing Machines • Preprocessing Equipment • Presses • Processing Parts & Components • Professional Literature • Quality Assurance • Recycling Equipment & Lines • Reinforced Fibers & Materials • Research & Development • Rubbers • Synthetic Fibers • Semi-Finished Products • Size Reduction Equipment • Starting Materials & Intermediates • Surface Pre Treatment Equipment • Test & Measurement Equipment • Thermoplastic Elastomers • Thermoplastics • Thermosets • Vacuum Forming & Thermoforming • Welding Machines

PLASPAK

Additives • Adhesives & Glues • Bag and Sack Making Equipment • Coding, Marking and Printing Equipment • Cutting Machines • Embossing Equipment • Extruders • Extrusion Lines • Fillers • Flexible Packaging • Flexographic and Rotogravure Printing Technology • Foams and Intermediates • Injection Moulding • Labelers/Labels • Laminating Technology • Looms • Lubricants • Marking Equipment • Measurement & Weighing System • Melt Filter and Pumps • Mixers • Packaging Materials • Palletizers • Plastic Packaging • Plastic Packaging Machinery • Preprocessing • Presses • Quality Control & Testing • Robotics and Automation Systems • Slitter Rewinders • Thermoforming • Thermoplastics • Winding Equipment

DRINKTECH

Aseptic Technology • Beverage Packaging • Bottling Technology • Brewing Technology • Brewing/Beverage Processing • Cap/Crown/Sealing Technology • Compressors • Containers & Tanks • Filling Machines • Filters and Filtration Systems • Glass Packaging Materials • Heat Exchangers • Ingredients / Additives / Flavors • Inspection Systems • Instrumentation/Testing/Quality Control • Kegs and Fittings • Laboratory Equipment • Lactic and Drink Processing Equipment • Liquid Handling / Conveying • Liquid Packaging • Liquid Processing • Palletizing Equipment • Pasteurizers • PET Preforms • Pumps and Valves • Rinses • Water Treatment

MOULD & DIE

Auxiliary Equipment • CAD/CAM/CAE/PDM/PLM • CNC Controllers • Diesets • Digitizing • Extruders Aided Equipment • Graphite Material • Grinding Wheels and Abrasives • Heat Treatment • Hot Runner Systems • Injection Moulding Machines and Blow Moulding Machines • Machine Components • Machining Accessories and Cutters • Measurement and Testing Equipment • Mould & Die Parts • Mould & Die Steel • Mould Base • Mould Design Software and Engineering • Mould Materials & Components • Mould Treatment and Maintenance • Moulds & Dies • Pillar • Pin and Bushing • Rapid Proto Typing, Simulation • Surface Finishing • Tools & Tooling • Welding and Polishing • Work Holding Device

How to visit the show

1. Enjoy many special benefits at the show.

Register online at www.plasticsandrubberindonesia.com

(no later than 11 November 2015) to qualify for a GOLD 2015!

GOLD 2015 visitor badge privileges include:

- Free show catalogue (save Rp.100.000);
- Complimentary use of GOLD 2015 visitor lounge;
- Fast registration at a dedicated GOLD 2015 visitor counter;
- Dedicated GOLD 2015 parking area.

2. Bring the Fastlane Ticket along with 2 business cards to the Registration Counter at the show.

SPE ASEAN Annual Seminar

Friday, 20 November 2015
Seminar Room Hall D1, 09:30 – 17:10
Jakarta International Expo Kemayoran, Jakarta - Indonesia

Sponsored and Supported by:

We invite you to attend the SPE ASEAN Annual Seminar in Jakarta.

SPE (Society of Plastics Engineer) is dedicated to promoting the scientific and engineering knowledge relating to plastics. The seminar will present some of the latest updates in products and market trends, while also providing an excellent opportunity to strengthen your network in plastics industry.

The SPE Seminar is conducted together with Plastics & Rubber Indonesia 2015 (18-21 November), and will feature speakers from leading multinational companies. The seminar will be conducted in English.

Seminar attendance is free of charge, however please register by 30th October 2015 due to limited space.

Registration can also be done on-line at the site below:

<http://www.4spe.org/Events/Event.aspx?EventID=62364>

For further information, please contact Chitiur Hadinata on
+ 62 815 1957 3821 or chitiur.hadinata@lautan-luas.com

For the duration of the Expo there will also be an SPE booth (Hall A2, #254).

Please visit the booth for further information on SPE and the companies participating in the seminar.
