Electricity**

The 34th International Plastics and Rubber Machinery, Processing and Materials Exhibition

Plastics & Rubber Indonesia is now the only dedicated plastics and rubber event in Indonesia with the sole focus of serving the needs of those industries.

PLASPAK INDONESIA provides a dedicated specialist platform for packaging technology and solution suppliers targeting the largest sector within Indonesia's plastics industry.

MOULD & DIE INDONESIA is a dedicated high focus platform that provides the latest in products and technology for this high value niche sector within Indonesia's marketplace.

As part of our circular economy program, Plastic Recycling Indonesia will provide a dedicated area for the industry to share their latest technology to reprocess plastic waste or consumable products into new, useful products – solutions from our industry for our industry.

INDONESIA AT A GLANCE

Top 5 reasons to expand your business to Indonesia

- ✓ Indonesia's GDP growth has shown signs of recovery in 2021. In the first quarter of 2021, Indonesia's economy grew by 4.92% compared to the same period in 2020.
- ✓ Indonesia is the 4th most populous country in the world with 268 million inhabitants representing 3.5% of the total world population.
- ✓ Projected consumer class by 2020 141 millions.
- ✓ Plastic recycling in Indonesia is an essential component of sustainability efforts. By prioritizing plastic recycling, we can build a more sustainable future for Indonesia and beyond.
- ✓ Indonesia is expected to be the 4th largest economy in Asia by 2030.

PROGRAM & ONSITE ACTIVITIES

• BIZMATCH

Business Match Making: Connecting Plastics & Rubber Industries
Take advantage of our Business Meeting program to schedule meetings with your chosen exhibitors at the show. This matchmaking service is expected to enhance your on-site experience and get the most out of your visit to Plastics & Rubber Indonesia. Download our app (Pamerindo Smart Events) to check the exhibitor and product list before arranging your meeting. Not only is this app easy to use, but it also helps you to schedule meetings with the vendors you are interested in well in advance.

• Live Demo

See the latest technology and products from our key players in four days exhibition.

- Circular Economy Zone by Indonesian Plastics Recyclers
- Plastics Association Gathering
- Hybrid Seminars by Raw Materials Exhibitors
- Students and Work Group Visit
- Exhibitor Product Presentation
- LIVESTREAM Report from The Floor

CIRCULAR ECONOMY ZONE

In collaboration with the Indonesian Plastics Recycler (IPR), Pamerindo Indonesia will curate and demonstrate the concept of sustainability in the plastics sector through the Circular Economy Zone. Held for the first time in 2022, this year the Circular Economy Zone returns in a bigger space and with more detailed, state-of-the-art industry-targeted content. Join us, take Indonesia's sustainable circular economy to the next level and be part of the strategic issue interpreter!
